

RENDEZVOUS 2018

Rock Candy Mine Trip - Fluorite

The Rock Candy Mine has agreed to open early for Rendezvous. The cost per person is \$25.00.

Space is limited on each trip, and the number of trips will be determined by the number of people pre-registered. Maximum 30 people per day.

Pre-registration and pre-payment is required for this Field Trip.

To have mine open for us, we have to commit, so there is a dead line to pre-register:

Registration Deadline: **April 13th**

\$25.00 per person, cheque payable to Penticton Geology and Lapidary Club

Mail to: Penticton Club, c/o S. Albo, P.O. Box 29, Osoyoos, B.C. V0H 1V0

Questions directed to Duane Hamm: hammracing@gmail.com 250-498-8845

For this trip:

- Departure in the morning will be earlier than the other Field Trips – as always – full tank of gas
- Participants will need sturdy footwear and a back pack
- There is a walk of about one mile from the parking to the base of the area, then a rather strenuous climb to the site. Take what you can carry out with you.

Note: If the road into the site is rendered impassable by spring conditions, your fee will be refunded to you at registration.
