

BCLS RENDEZVOUS 2019

ROCK CREEK, B.C.

JUNE 7-10TH 2019

Host Club: Penticton Geology and Lapidary Club

You are invited to join us in Rock Creek B.C. for Rendezvous 2019 – June 7- 10, 2019. By moving the date, a little later, we should be after any potential flooding, and before the fire season.

General Information: Event Blog

www.rendezvous2019.blogspot.com

This site has last year's information on it, and is being updated over the coming weeks.

- **Registration:**
 - Full info and registration form will be posted on the BCLS website in early January, at which time we will ask BCLS to send out e-mail notification that the materials are posted.

- **Rock Candy Mine**
 - Last year the Rock Candy Mine was inaccessible due to a washed-out road, a washout on the mine property, followed by a windstorm that brought down about 500 trees on their road.
 - The trees have been harvested, the main road repaired, and there may be additional walking at the site due to the local washout.
 - Mother Nature could spoil our plans again, but we are resilient.
 - When the registration form is posted in January, the first 60 people to register and request the Rock Candy field trip will be put on a list, for the Rock Candy trips.

- **Camping and Accommodation**
 - There is lots of onsite camping – there will be details posted. Sites with power will be allocated in the order of registrations received.
 - Last year's accommodation listings are on the blog site – updates to come soon

- **Venue:**
 - Rock Creek Fairgrounds does not allow dogs on the property. Those bringing dogs may dry camp in the fee area across the road.

- **Meals:**
 - There will be a potluck supper on Friday night.
 - On Sunday night there will be a reasonably priced beef-dip supper
 - Monday morning there will be coffee and muffins available in the hall

Enjoy your Christmas Holidays, we will get you all the details early in the new year.
